

*Dans la Maison* is a French movie about a high school writing phenom who befriends a mediocre student in order to capture the essence of a middle class lifestyle. As a writer, I really enjoyed this film and how it captures the character development process. Simple changes in how to frame a story, the constraints we are given or put on ourselves, and the details we choose to

ii☪ is a lovely new email that shares a double dose of culture from different LGBT+ curators each day.
